

APPLYING TO ADOPT-A-SCHOOL FOR FUNDING

The Vancouver Sun Children's Fund is concerned that there are children attending school with basic needs that are not being met. They might be hungry, or for instance not have warm clothes for winter or proper shoes. We would like to help.

Please tell us what needs your children have and how can the Children's Fund Adopt-a-School project be of assistance?

Please provide us with the following information and email or mail to: Kathy Anderson, Adopt-a-School, The Vancouver Sun, Suite 1 -- 200 Granville St., Vancouver, BC V6C 3N3
